THE HOSTA CONNECTION

JUNE 2, 2018 MEETING at 1 O'CLOCK PLANT AUCTION AT RUBY RYMER'S BETHLEHAM GARDENS

Notes from the Editor, Under the threat of rain that never happened, our garden tour at Frances Jones garden was delightful, Frances walked with us through her garden pointing out different plants and answering questions. She knows the name of every plant and its history in her garden. We had our picnic under her covered terrace - as always the food was delicious. I've sent Frances a thank you card for being so gracious in letting us visit her garden. Her address is 304 Palisades Dr, Signal Mountain if anyone wants to send a thank you note.

Our June meeting is our PLANT AUCTION, go dig in the garden and bring in any kind of plant -- it doesn't have to be a Hosta, in fact very few hostas are brought in to auction off, every other kind of plant shows up from sun loving to shady plants --- they all get a new home. Directions to Ruby's home is: go south on I-75 to exit 341 (this will be the Tunnel Hill exit), turn left go under I-75 go 4 miles, Ruby's house is on the left, turn left on 423 Appaloosa Dr. Ruby's house is on the left hand corner, the driveway is located almost as soon as you turn onto Appaloosa Dr. Ruby's phone: 706-280-5911 Johnny's phone: 423-313-4646 My computer is going crazy again, I can't make a new paragraph - computer puts too many space between and moves the lady bug. SEE YOU SATURDAY---DON'T FORGET TO BRING PLANTS !
